Melamine Plus Specialist Deep Clean Floor Pad Heavy Duty - 510 x 356 mm - Rectangular

Variant code: 03-MP53

Melamine Plus Specialist Deep Clean Floor Pad is a **heavy-duty rectangular floor cleaning pad** designed to remove stubborn dirt, ingrained grime, scuff marks and surface stains. Its specialist melamine construction provides powerful deep cleaning using water alone, reducing the need for harsh chemical cleaning products.

Featuring **micro-abrasive melamine foam technology**, the pad lifts embedded dirt and stubborn residues from compatible hard floor surfaces. Its reinforced construction provides durability for demanding cleaning tasks, making it particularly suitable for professional commercial and industrial floor maintenance.

The **510 x 356mm rectangular design** is suitable for compatible oscillating and rectangular floor cleaning machines, providing effective coverage and consistent cleaning performance. Ideal for periodic intensive cleaning, it helps restore the appearance of heavily soiled floors.

Product Features

- **Heavy-duty melamine construction** for intensive deep cleaning
- Removes ingrained dirt, scuff marks and stubborn stains
- Effective cleaning using **water alone**
- Micro-abrasive foam technology lifts embedded dirt
- **Rectangular design** for compatible floor cleaning machines
- Suitable for a variety of hard floor surfaces
- Reinforced construction for demanding cleaning applications

Product Benefits

- Provides effective cleaning on heavily soiled floors
- Reduces reliance on chemical cleaning products
- Helps restore the appearance of hard
