Mercury Bulk Pack Paper Tissue Dispenser - Black/Brush Metal Affect

Variant code: 28-MDPD

Mercury Bulk Pack Paper Tissue Dispenser – Sleek Black & Brushed Metal Finish

The **Mercury Bulk Pack Paper Tissue Dispenser** combines a sophisticated, architectural look with the rugged durability required for high-traffic environments. Featuring a stunning **Black and Brushed Metal effect**, this dispenser isn't just a utility - it's a design statement.

Whether you're outfitting a boutique office, a busy restaurant, or a modern home workshop, this unit delivers hygienic, one-at-a-time tissue dispensing that reduces waste and keeps maintenance simple.

Key Features & Benefits

- **Designer Aesthetic:** The premium black finish paired with a brushed metal-effect insert provides a high-end, industrial-chic look that complements modern interior design.
- **Universal Compatibility:** Designed to hold **bulk pack (interleaved)**, C-fold, or multi-fold paper tissues. It's versatile enough to work with most major paper brands.
- **Hygienic & Touch-Free:** Users only touch the paper they use, significantly reducing the risk of cross-contamination - a must-have for modern health and safety standards.
- **Durable Construction:** Built from high-quality, impact-resistant materials designed to withstand the rigours of daily commercial use while maintaining its "just-installed" shine.
- **Easy Maintenance:** Features a discrete side-window to monitor tissue levels at a glance, plus a secure locking mechanism

Why Choose the Mercury Series?

Let's be honest: nobody spends their weekend dreaming about tissue dispensers. But when a guest walks into your washroom, the details matter. The Mercury range is specifically engineered to bridge the gap between **industrial performance** and **luxury style**. It eliminates the "cheap plastic" feel of standard dispensers, replacing it with a textured, metallic finish that feels grounded and professional.

Pro Tip: Pair this with the Mercury Soap Dispenser to create a unified, seamless look for your commercial restroom or kitchen area.
