Rubbermaid Microburst® 3000 Refills - 75ml Aerosol - Discretion (Fruity/Mango/Melon)

Variant code: 06-703

Rubbermaid Microburst 3000 Air Freshener Aerosol Refills provide a convenient and long-lasting solution for maintaining fresh, pleasant-smelling indoor environments. Designed for use with **Rubbermaid Microburst 3000 automatic air freshener dispensers**, these high-quality fragrance refills help combat unwanted odours in washrooms and other shared spaces.

Each **75ml aerosol refill** delivers up to **3,000 sprays or 168 days of fragrance**, depending on dispenser settings and operating conditions. The concentrated fragrance formulation provides consistent, controlled scent delivery, helping maintain a welcoming atmosphere throughout the day.

Available in a selection of **citrus, floral and fruity fragrances**, the range offers flexibility to suit different environments and preferences. The compact refill design makes replacement straightforward while supporting efficient, automated air freshening.

Product Features

- **Up to 3,000 sprays** from each 75ml aerosol refill.
- **Up to 168 days of freshness**, depending on dispenser settings.
- **High-quality concentrated fragrances** for long-lasting scent.
- **Automatic fragrance delivery** when used with a compatible dispenser.
- **Odour control** helps maintain pleasant indoor spaces.
- **Five fragrance options** with citrus, floral and fruity notes.
- **Compact 75ml aerosol** for convenient replacement.

Product Benefits

- **Long-lasting performance** reduces frequent refill changes.
- **Consistent fragrance delivery** maintains
