

Miele Dust Bags – Pack of 5

Variant code: 16-SDB281

Miele Dust Bags are high-quality replacement paper dust bags designed for compatible **Miele S500 Series vacuum cleaners**. Engineered to provide efficient dust collection and dependable filtration, these replacement bags help maintain powerful suction while ensuring clean and hygienic disposal of collected dirt and debris.

Manufactured from durable paper filtration material, the bags effectively capture household and commercial dust, dirt and dry debris while maintaining consistent airflow throughout the vacuum cleaner. Their robust construction helps protect the vacuum motor and internal filtration system, supporting reliable cleaning performance and extending the service life of the machine.

Supplied in a convenient **pack of 5**, these replacement dust bags are easy to install and replace, making them ideal for routine vacuum maintenance. Regular bag replacement helps maximise suction performance, improve filtration efficiency and keep your Miele vacuum operating at its best.
