

White Roll – Mini Centrefeed – 2 Ply – 60m – Case of 12

Variant code: 01-132

White Roll Mini Centrefeed is a versatile and efficient **2 ply wiping paper solution** designed for professional environments requiring reliable everyday cleaning and drying performance. Suitable for a wide range of commercial applications, these compact mini centrefeed rolls provide excellent absorbency and durability while supporting hygienic dispensing.

Each roll offers a practical **60 metre length**, helping reduce refill frequency while maintaining a compact format suitable for smaller dispensing systems and restricted spaces. The **2 ply construction** delivers a balance of softness, strength and absorbency for effective wiping and hand drying tasks. Designed for use with compatible mini centrefeed dispensers, these rolls provide controlled dispensing and efficient paper usage across busy working environments.
