

Mini Jumbo Toilet Rolls – White – 2 Ply – 200m – 60mm Core – Case of 12

Variant code: 01-622

Mini Jumbo Toilet Rolls are a high-capacity **2 ply toilet tissue solution** designed for busy commercial washrooms and high-traffic public facilities. Developed to provide economical and reliable performance, these mini jumbo rolls help reduce maintenance requirements while maintaining a comfortable and hygienic user experience.

Each roll offers an extended **200 metre length**, helping minimise refill frequency and supporting efficient washroom management in demanding environments. Manufactured from **100% recycled paper**, the rolls provide an environmentally conscious solution without compromising on strength or absorbency. The **2 ply construction** delivers a balance of softness and durability for everyday use, while the **60mm core** ensures compatibility with standard mini jumbo toilet roll dispensers commonly used in commercial washrooms.

Designed for heavy-use areas such as tourism and hospitality environments, these rolls provide dependable performance and cost-effective operation for facilities where maintaining washroom availability is essential.
