MotorScrubber - BLADE - 2-in-1 Squeegee & Mop System

Variant code: 15-MSBLADE

Forget buckets! With the MotorScrubber BLADE 2-in-1 Mop System buckets are a thing of the past with its delivery of fresh solution at the touch of a button.

Designed as wet and dry spray mop system, the ultra-microfibre mop heads eliminate dirt while the flexible squeegee effortlessly dries floors.

Make the switch to BLADE mop system to experience exceptional results with the following features:

- Quick refill handle and water level indicator, eliminating the need for a bucket
- Fully interchangeable, no-touch cloth system - simply slide the ultra-microfibre into the channel.
- Reversible with up to 4x greater coverage - reset the power squeegee on the Ultra-Microfibre to reveal a clean section. Once dirty flip the Ultra-MIcrofibre for continued clean use.
- 600ml solution capacity in the handle!
- The Ultra-Microfibre cloths can be washed up to 500 times.
