

MotorScrubber JET3 – Battery Powered Backpack Scrubbing Machine with Spray

Variant code: 16-MSJET

The MotorScrubber Jet is a battery powered scrubbing machine with a pump to spray water in front of the machine.

It boasts a lightweight 3kg backpack housing the battery which powers the high-torque powerful scrubbing machine for up to 3.5 hours.

Built in the UK with exceptional build quality for longevity.

Delivering 354rpm of power to the scrubbing head, it makes cleaning in tight and confined spaces easier than ever before.

Perfect for cleaning in and around washroom areas, behind toilets, under benches and stairs.

Adjustable handle length and brush head angle.

The head is completely waterproof meaning it can be dipped into a bucket for cleaning, or cleaning underwater lines in and around pools.

Key Features:

- Self-contained with pump and solution spray
- 3.5 Hour battery run-time
- Powerful high-torque 354rpm motor
- Lightweight backpack and fully adjustable handle
- Waterproof head
