MotorScrubber M-Case Pro - Professional Equipment Storage and Travel Case

Variant code: 16-MS3070

MotorScrubber M-Case Pro is a **heavy-duty protective storage and transport case** designed to safely carry, organise and protect MotorScrubber machines and accessories during storage and transportation. Built for professional cleaning contractors and mobile cleaning teams, this robust travel case provides a secure solution for transporting valuable equipment between sites while keeping everything organised and protected.

Engineered with a weatherproof design and reinforced construction, the M-Case Pro safeguards cleaning equipment from knocks, impacts and environmental conditions. Protective bumper panels, robust travel wheels and an integrated pull handle make transporting equipment easy, while multiple internal and external storage compartments ensure accessories remain secure and readily accessible.

The spacious interior is designed to accommodate a complete MotorScrubber cleaning setup, with capacity for **1 Power Harness, 2 Machines, 1 STORM Wand, 4 M-Brushes, 6 M-Pads, 1 BLADE, 3 BLADE Fibre Pads and 1 Wall Dock**. Dedicated storage locations help prevent equipment damage during transit and improve organisation for busy cleaning professionals.

Featuring internal accessory pockets, external accessory holders, brochure storage compartments and a custom BLADE holder, the M-Case Pro offers a practical and professional storage solution for maintaining equipment readiness and extending product life.
