

MotorScrubber – Standard Medium Duty Brush

Variant code: 16-MS1041

MotorScrubber Standard Medium Duty Brush is a genuine replacement cleaning brush designed to deliver **effective deep cleaning on textured, smooth and tiled hard floors**. Featuring durable, non-scratch bristles, this versatile brush removes dirt and grime while protecting delicate floor finishes, making it ideal for routine commercial cleaning and maintenance.

Engineered for **internal use only**, the medium-duty brush provides excellent scrubbing performance across a wide variety of hard floor surfaces. Its non-abrasive design allows operators to achieve a brilliant deep clean without damaging floor coatings, making it suitable for frequent use in high-traffic environments.

Designed for compatibility with MotorScrubber cleaning machines, this genuine brush is easy to fit and replace, helping maintain optimum cleaning performance while reducing machine downtime. It is the ideal choice for professional cleaning contractors and facilities management teams requiring dependable everyday floor cleaning.

Product Features

- Genuine MotorScrubber standard medium duty brush
- Non-scratch bristle design
- Provides brilliant deep cleaning performance
- Suitable for textured, smooth and tiled floors
- Ideal for routine hard floor maintenance
- Quick and easy to install
- Durable commercial-grade construction
- For internal use only

Product Benefits
