N-Dura Nitrile Glove - Small

Variant code: 22-ND45/S

N-Dura Nitrile Glove is an unlined nitrile glove. This synthetic rubber glove performs well to protect against aliphatic solvents, oils, fats and greases. It also attains maximum EN388 score for abrasion resistance, enhancing its mechanical protection and durability. The N-Dura Nitrile Glove is longer than average for added protection, and has a slip resistant pattern on the palm, increasing the level of grip for safer handling in both wet and dry conditions. It is unlined and anatomically shaped for greater sensitivity and flexibility, and minimal hand fatigue.
