

Needle Resistant Gloves Black – Pair – XXXLarge

Variant code: 22-A793K8RXXXL

Conquer Sharp Objects with Confidence: Premium Needle Resistant Gloves – Black (Pair)

Work with unparalleled peace of mind knowing your hands are shielded by our heavy-duty Needle Resistant Gloves in sleek black. This premium pair of gloves is expertly engineered to provide exceptional protection against a wide range of sharp objects, including **needles, syringes, broken glass, metal shards, and thorns**. Ideal for professionals and individuals in various demanding environments, these gloves offer a superior blend of **safety, durability, and comfort**.

Key Features & Benefits:

- **Unrivaled Needle Stick Protection:** Constructed with multiple layers of high-performance, cut-resistant materials, these gloves offer significant resistance against accidental needle punctures and other sharp penetrations. *This is not a guarantee against all needle sticks, but provides a substantial layer of defence.*
- **Superior Cut and Abrasion Resistance:** Beyond needle protection, these gloves are built to withstand cuts, abrasions, and tears from various hazards, ensuring long-lasting performance in tough conditions.
- **Durable and Long-Lasting Construction:** Crafted from robust materials, these gloves are designed to endure rigorous use, providing a reliable and cost-effective safety solution.
- **Enhanced Dexterity and Grip:** While prioritising protection, these gloves are designed to allow for a good degree of dexterity and a secure grip, enabling you to perform tasks effectively and safely.
- **Comfortable for Extended Wear:** The ergonomic design and breathable inner lining help to minimise hand fatigue and maximise comfort during prolonged use.
- **Sleek and Professional Black Design:** The classic black colour provides a professional and discreet appearance, suitable for various work environments.
- **Versatile Applications:** Perfect for a

wide range of industries and tasks,
including:

- **Law Enforcement and Security Personnel:** Protection against discarded needles during searches and patrols.
- **Healthcare Professionals:** Added layer of safety when handling medical waste and sharps.
- **Waste Management and Sanitation Workers:** Defence against sharp objects in refuse.
- **Social Workers and Outreach Teams:** Protection during interactions in challenging environments.
- **DIY and Construction Work:** Protection against nails, screws, and sharp materials.
- **Animal Handling:** Defence against scratches and potential bites.
- **Available as a Pair:** This listing includes one pair (two gloves), ensuring complete hand protection.

Invest in your safety and gain the confidence to handle potentially hazardous materials with our premium Needle Resistant Gloves. Order your pair today!
