Nilfisk Carpet Kit: Inc 1x Carpet Brush & 2x Carpet Vacuum Strips: For SC100

Variant code: 16-107411865

Nilfisk Carpet Cleaning Kit is a **genuine conversion accessory kit** designed specifically for the **Nilfisk SC100 Upright Scrubber Dryer**. This complete kit allows operators to quickly convert their SC100 from hard floor cleaning to carpet cleaning applications by replacing the standard brush and squeegee blades with specialist carpet cleaning components.

The kit includes **one carpet brush and two carpet vacuum strips**, providing everything required to optimise the machine for carpet maintenance. The hard plastic vacuum bars and dedicated carpet brush work together to improve carpet cleaning performance while maintaining the compact manoeuvrability and ease of use of the SC100.

Designed for simple installation, the conversion process allows users to switch between hard floor and carpet cleaning quickly and efficiently, maximising the versatility of the SC100. Manufactured to Nilfisk's exacting standards, this genuine accessory kit delivers reliable compatibility and professional cleaning performance.
