Nilfisk Drive Board 355mm: For SC351

Variant code: 16-9099672000

Nilfisk Pad Drive Board 355mm is a **genuine floor pad holder** designed specifically for the **Nilfisk SC351 Scrubber Dryer**. Engineered to securely hold floor cleaning and maintenance pads, this durable drive board enables the machine to perform a wide range of floor care tasks, including cleaning, scrubbing, polishing and buffing.

With a **355mm working diameter**, the drive board provides secure pad retention and even pressure distribution across the floor surface, helping to maximise cleaning performance and pad efficiency. It allows operators to quickly switch between different pad types to suit specific floor maintenance requirements.

Manufactured to Nilfisk's exacting standards, this genuine replacement accessory offers reliable compatibility, robust construction and long service life. Designed for professional cleaning environments, it helps expand the versatility and effectiveness of the SC351 scrubber dryer.

Product Features

- Genuine Nilfisk pad drive board
- Designed for the Nilfisk SC351 Scrubber Dryer
- 355mm working diameter
- Secure floor pad retention system
- Suitable for cleaning, scrubbing and polishing pads
