Nilfisk Paper Dust Bags For GD1000/ GD1010/ GD2000

Variant code: 16-1408618000

Nilfisk Paper Dust Bags are **replacement vacuum cleaner bags** designed for use with **Nilfisk GD1000, GD1010 and GD2000 vacuum cleaners**. Manufactured from durable paper filtration material, these bags provide reliable dust collection and help maintain efficient vacuum performance in commercial and domestic cleaning environments.

The bags effectively capture dust, dirt and everyday debris while allowing sufficient airflow to maintain strong suction throughout operation. Their durable construction helps ensure dependable performance and hygienic disposal of collected waste, making them ideal for routine cleaning applications.

Regular replacement of dust bags helps maximise airflow, maintain cleaning efficiency and support the vacuum's filtration system. Supplied as a convenient **pack of 10**, these replacement bags provide an economical solution for ongoing vacuum maintenance.

Product Features

- Replacement paper dust bags
- Compatible with Nilfisk GD1000, GD1010 and GD2000 vacuum cleaners
- Durable paper filtration construction
- Efficient dust and debris collection
- Maintains airflow and suction performance
