

Nilfisk SC100 – Mains Powered Upright Scrubber Drier

Variant code: 16-SC100

The Nilfisk SC100 is a small scrubber dryer for cleaning of small areas. Compared to using a mop and bucket – this compact machine will get the job done much faster and more effectively. The value-for-money choice for small shops, schools, restaurants, coffee shops, petrol stations / garages, bakeries, fast food chains, hotels, contract cleaners, and also domestic cleaning. Scrub and dry in one single pass giving fast access to the cleaned area Two solution flow settings for efficient cleaning and red LED light indicator alarms when out of solution Ergonomic handle for comfortable one or two handed operation Easy to carry and to transport from one place to another – only 12 kg weight Only use clean solution: no dirt and bacteria spread everywhere on the floor Flat recovery tank design and full access makes it fast and easy to clean 100% of the recovery tank from any dirt Can do what others cannot: Low deck profile and offset allow to clean difficult to reach areas for real floor cleaning Easy and quick maintenance operations help the operator to always have a clean and functional machine
