# Nitrosafe Plus Chemical Gauntlet - L - Green

**Variant code: 22-A812GNRL**

More than just a nitrile gauntlet, the A812 is tested and certified to offer protection against many common chemicals found in industry today. The anti-slip pattern offers high dexterity in wet and dry conditions. Ultra-sensitive and free of soluble proteins help minimise the risk of allergic reaction. Lightweight 0.38mm thickness, these gloves are suitable for a broad range of industries, including industrial cleaning, laboratory work, light assembly, aerospace and the chemical industry.
