Non-Scratch Scourers – Pack of 12

Powerfully Gentle Cleaning for Professional Results

Improve your cleaning game with our Non-Scratch Scourers. This bulk pack of 12 is specifically designed for contract cleaners, cleaning businesses, hospitality, and facility management companies that demand both powerful cleaning and the protection of delicate surfaces. Say goodbye to scratches and scuffs on expensive equipment and fixtures, and hello to a brilliant, professional finish every time.

Why Choose Our Non-Scratch Scourers?

- **Superior Cleaning Performance:** Engineered with a unique non-abrasive surface, these scourers effortlessly lift and remove tough dirt, baked-on grime, and stubborn stains. They are ruthless on dirt but gentle on surfaces, making them the ultimate cleaning tool.
- **Versatile & Multi-Purpose:** From commercial kitchens and non-stick cookware to delicate bathroom fixtures, glass, porcelain, and chrome, these scourers are the perfect all-in-one solution. Use them on countertops, tiles, sinks, and appliances to achieve a pristine, scratch-free shine.
- **Durable & Long-Lasting:** Built to withstand the rigours of professional use, our scourers are highly durable and resist fraying, ensuring they maintain their shape and effectiveness over multiple uses. This means a lower replacement rate and better value for your business.
- **Ergonomic & Comfortable:** The thoughtfully designed shape provides a comfortable grip, making it easier for your team to tackle tough cleaning tasks without straining their hands. The foam-backed design offers excellent absorbency for mopping up spills and delivering a smooth wiping action.
- **Bulk Pack for Business Efficiency:** Our convenient pack of 12 scourers ensures

you always have a fresh supply on hand, minimising downtime and keeping your cleaning operations running smoothly. Perfect for high-volume environments where efficiency and cost-effectiveness are key.

Key Applications:

- **Contract Cleaning:** Tackle a wide range of jobs from residential homes to commercial offices and retail spaces.
- **Hospitality & Food Service:** Clean delicate glassware, non-stick pots and pans, stainless steel equipment, and serving dishes without causing damage.
- **Facility Management:** Maintain the appearance of bathrooms, kitchens, and common areas, protecting expensive surfaces and leaving a polished finish.
- **Automotive Detailing:** Safely clean car interiors, hubcaps, and other surfaces without the risk of scratching.
- **Healthcare & Education:** Ensure hygienic and well-maintained environments by safely cleaning a variety of surfaces.
