North Shore Foam Lotion Soap - 6 x 1L

Variant code: 10-NOSH0030

North Shore Foam Lotion Soap - 6 x 1L is a premium foaming hand soap designed to provide effective hand cleansing while being gentle on the skin. Producing a rich, luxurious foam, this professional hand wash delivers excellent cleaning performance and a pleasant handwashing experience, making it ideal for busy commercial washrooms and workplace environments.

Formulated for frequent use, North Shore Foam Lotion Soap effectively removes everyday dirt and contaminants while helping to maintain skin comfort and hydration. The rich foam lather spreads easily across the hands, providing thorough coverage whilst using less product than traditional liquid soaps. This helps reduce consumption and improves cost efficiency without compromising hygiene standards. The pleasant formulation leaves hands feeling clean, refreshed and cared for after every wash.

Supplied in a convenient **case of 6 x 1 litre cartridges**, this foam soap is ideal for high-traffic washrooms and workplace facilities. Designed for use with compatible foam soap dispensers, it offers a hygienic, controlled dispensing solution that supports effective hand hygiene programmes across a wide range of environments.
