

Numatic 38mm – Aluminium Tube – Straight

Variant code: 16-602930

Numatic 38mm Aluminium Tube – Straight is a **lightweight vacuum cleaner extension wand** designed for use with compatible **Numatic 38mm vacuum systems and accessories**. Manufactured from durable aluminium, this genuine Numatic tube provides an ideal balance of strength, manoeuvrability and reliability, making it suitable for a wide range of commercial and industrial cleaning applications.

The straight tube design creates a secure connection between vacuum hoses, floor tools and additional extension tubes, helping maintain optimum airflow and suction performance throughout the cleaning process. Its lightweight aluminium construction reduces operator fatigue during prolonged use while retaining the durability required for demanding professional cleaning environments.

Designed to integrate seamlessly with Numatic's 38mm accessory system, the tube enables users to extend their cleaning reach and improve access to floors, ceilings, walls and difficult-to-reach areas. The corrosion-resistant aluminium finish ensures long-lasting performance and dependable operation in everyday cleaning tasks.

Product Features

- Genuine Numatic aluminium extension tube
- 38mm diameter connection
- Straight tube design
- Lightweight aluminium construction
- Compatible with Numatic 38mm vacuum systems
- Corrosion-resistant finish
- Maintains efficient airflow and suction
- Durable professional-grade construction

Product Benefits

- **Provides additional cleaning reach and flexibility**
- **Lightweight design reduces operator fatigue**
- **Maintains strong airflow for effective vacuum performance**

- Durable construction for long service life
- Easy to connect to compatible hoses and tools
- Suitable for commercial and industrial environments
- Helps access difficult-to-reach cleaning areas
- Genuine compatibility ensures reliable operation

Technical Characteristics

- Product Type: Vacuum Cleaner Extension Tube
- Diameter: 38mm
- Material: Aluminium
- Design: Straight
- Compatibility: Numatic 38mm Vacuum Systems
- Finish: Corrosion-Resistant Aluminium
- Genuine Numatic Accessory
- Commercial-Grade Performance

Applications

Numatic 38mm Aluminium Tube – Straight is ideal for **commercial cleaning contractors, warehouses, workshops, factories, schools, healthcare facilities, offices and public buildings** using compatible Numatic 38mm vacuum cleaners. Suitable for extending cleaning reach when vacuuming **floors, walls, ceilings, stairways and confined spaces**, it provides reliable performance, excellent manoeuvrability and long-lasting durability for professional cleaning operations.
