

## Numatic 38mm Widetrack Brush/Rubber Dry Floor Tool – 400mm

**Variant code: 16-602332**

An extra-wide 400mm brush/rubber nozzle with adjustable height. This is 100mm, or one third, wider than a standard floor nozzle – enabling you to cover more ground in less time!

This nozzle is suitable for use with all vacuums with 38mm hoses.

### Features:

- Efficiency – Use on all hard floors.
- Duo – Front Bristles & Rear Squeegee.
- Wide Design – Greater coverage quicker.
- Use for domestic & Commercial environments.
- Fits 38mm tubes
