Numatic EM3 Eco-Matic Cleaning Trolley

Variant code: 14-911440

Providing the convenience of an open shelf storage trolley in a mid-size specification, the ECO-Matic EM3 Cleaning Trolley offers a generous 120L waste bin facility, easy-access shelf storage, top storage tray and front storage unit.

Designed for enhanced usability, productivity and simplicity, the EM3 Cleaning Trolley is easy to assemble, convenient to store and ready to equip for a wide range of applications.

Engineered from the highest quality recycled plastic using environmentally sustainable ReFlo Technology, the ECO-Matic Cleaning Trolley range benefits from unique heavy-duty Structofoam construction, using co-polymer grade material, making it tough, chemical-resistant, easy to clean and built to last.

This product meets all the necessary qualifications to be certified for the following claim:

- **SCS RECYCLED CONTENT CERTIFIED**
- Conforms to SCS Recycled Content Standard V7-0, which ensures with third-party certification that the product uses recycled materials diverted from the waste stream, reducing impacts to the environment.
- This product contains a **Minimum 50% Pre-Consumer and Post-Consumer Recycled Polypropylene Content of the Total Plastic Components.**
- The material quantification and mass-balance calculations are completed on dry-weight basis.

Recommended for:

Office Cleaning
Healthcare Cleaning
School and Education Cleaning
General Janitorial Cleaning
