

Numatic George Carpet Cleaner with Hose & Stainless Steel Wand

Variant code: 16-GVE370-2

With the Numatic George 3 in 1 Wet/Dry Vacuum Cleaner you have an all in one machine. With the combination of the highly efficient Twinflo bypass vacuum motor and the powerflo pump system you will see professional cleaning every time. The switch from dry to wet vacuuming is very easy, just exchange the dry filter for the safety float valve.

The vacuum cleaner is suitable on carpet, hard floor, laminate and tile and is designed to work extensively and for long hours. With a 1200W motor and easy to change HepaFlo bags this vacuum is the perfect vacuum for the office or commercial premises.
