# Numatic NRV240 - Red Vacuum Cleaner with Rewind and Toolkit - 110V

**Variant code: 16-NRV240/110V**

**Numatic NRV240 Vacuum Cleaner** is a powerful and versatile professional dry vacuum cleaner engineered to deliver reliable cleaning performance across commercial, industrial and domestic environments. Combining durable construction with practical features including cable rewind, large capacity collection and professional accessories, the NRV240 provides an ideal balance of power, convenience and long-lasting reliability.

Designed as a true cleaning workhorse, the NRV240 features a heavy-duty bumper for protecting walls and doors during operation, along with tough easy-transit wheels for effortless manoeuvrability. Its powerful long-life motor delivers efficient cleaning performance across carpets, hard floors, stairs, vehicles and workshop areas. The huge 9-litre capacity allows operators to clean for longer with fewer interruptions, while the integrated cable rewind system and on-board storage keep the machine organised and easy to transport.

Supplied complete with the professional NA1 accessory toolkit, the NRV240 offers versatile cleaning performance for a wide range of applications. The extra-long 12.5 metre cable and impressive 31.8 metre cleaning range reduce downtime caused by unplugging and repositioning, helping maximise cleaning productivity in larger commercial spaces. High-efficiency HepaFlo filter bags ensure safe, hygienic and easy emptying after use.

## Product Features

- **Professional dry vacuum cleaner**
- Heavy-duty bumper protection for walls and doors
- Convenient trouble-free cable rewind system
- Huge 9L dust collection capacity
- Professional NA1 accessory toolkit included
- Long-life motor with powerful cleaning performance
