Numatic Nyloscrub Brush for 440NX Scrubber Dryer - Pack of 2

Variant code: 16-911931

Numatic Nyloscrub Brushes are **genuine replacement scrubbing brushes** designed specifically for the **Numatic 440NX Scrubber Dryer**. Engineered for lighter-duty floor cleaning applications, these brushes provide effective cleaning performance while being gentle on floor surfaces, making them ideal for routine maintenance and daily cleaning tasks.

Manufactured with durable Nyloscrub bristles, the brushes deliver consistent scrubbing action to remove dirt, dust and light surface contamination without excessive abrasion. Their balanced cleaning performance makes them particularly suitable for maintaining the appearance and cleanliness of sealed hard floors, vinyl, tiles and other washable surfaces.

Designed for seamless compatibility with the 440NX Scrubber Dryer, these genuine Numatic brushes help maintain optimum machine performance and efficient floor cleaning results. The robust construction ensures long service life while supporting reliable operation in demanding commercial cleaning environments.

Supplied as a **pack of 2**, the brushes provide a complete replacement set for the machine, ensuring even cleaning performance and maintaining the high standards expected from Numatic floor care equipment.
