Numatic Nyloscrub Shampoo Brush - 450mm

Variant code: 16-606204

Numatic Nyloscrub Shampoo Brush - 450mm is a genuine rotary cleaning accessory designed for effective carpet shampooing and deep carpet maintenance. Manufactured with durable **Nyloscrub nylon bristles**, this **450mm brush** provides thorough agitation of carpet fibres, helping to loosen dirt, lift stains and evenly distribute shampoo solutions for professional cleaning results.

Designed for compatibility with **Numatic rotary floor machines**, the brush delivers consistent contact across the cleaning surface, ensuring efficient carpet cleaning while maintaining excellent manoeuvrability. The high-quality nylon bristles are engineered to withstand regular commercial use, offering long service life and dependable performance in demanding environments.

Ideal for routine carpet maintenance and intensive deep cleaning, the **Numatic Nyloscrub Shampoo Brush** helps maximise the cleaning performance of compatible Numatic rotary machines while restoring the appearance of carpeted floors.
