Numatic PBT230 - 36V Battery Vacuum Cleaner - 6L - Machine Only - Battery/Charger not Included

Variant code: 16-PBT230B

Numatic PBT230 - 36V Battery Vacuum Cleaner - 6L is a high-performance professional cordless vacuum cleaner engineered to deliver powerful cleaning performance with maximum mobility and convenience. Powered by advanced NX300 36V lithium battery technology and a newly developed 350W digital brushless motor, the PBT230NX provides exceptional airflow, enhanced suction and long runtime performance for demanding commercial cleaning environments.

Designed for efficient day cleaning and safe operation in busy public spaces, the PBT230NX delivers up to 80 minutes of cordless runtime while achieving a 40% increase in airflow and suction performance. The cordless design eliminates trailing cables, significantly reducing the risk of slips, trips and falls in high-footfall areas such as offices, schools, healthcare facilities and public buildings. Its compact and lightweight construction improves manoeuvrability and operator comfort while maintaining powerful professional cleaning results.

Part of Numatic's interchangeable NX300 battery network, the PBT230NX offers operational flexibility and efficient fleet management across compatible cordless cleaning equipment. With fast one-hour charging capability, durable professional construction and a practical 6-litre capacity, this cordless vacuum cleaner is designed to maximise productivity while delivering reliable commercial cleaning performance.

Product Features

- **Professional cordless vacuum cleaner**
- Powered by NX300 36V lithium battery technology
- 350W high-performance digital brushless motor
- Up to 80 minutes cordless runtime
- 40% increase in airflow and suction performance
- Compatible with interchangeable NX300 battery network

- Fast 1-hour charging capability
- **6L professional dust collection capacity**

Product Benefits

- Provides powerful cordless professional cleaning performance
- Eliminates cable-related trip hazards in public areas
- Ideal for safe daytime cleaning operations
- Extended runtime improves cleaning productivity
- Fast charging reduces downtime between uses
- Compact design improves handling and manoeuvrability
- Interchangeable battery system supports fleet efficiency

Technical Characteristics

- **NX300 36V lithium battery platform**
- 350W digital brushless motor technology
- Up to 80 minute cordless runtime
- 1 hour rapid charging system
- 6 litre dust collection capacity
- 40% improved airflow and suction performance
- Professional cordless cleaning operation
- **Suitable for commercial day cleaning applications**

Applications

Numatic PBT230 - 36V Battery Vacuum Cleaner is ideal for offices, schools, healthcare facilities, hospitality venues, transport hubs, retail environments, public buildings, janitorial services and contract cleaning companies requiring safe, powerful and efficient cordless professional cleaning performance.
