Numatic PPR170 Tub Vac with Cable Rewind and Tool Kit

Variant code: 16-PPR170

Numatic PPR170 Tub Vacuum Cleaner is a **professional dry vacuum cleaner** designed to deliver powerful cleaning performance, exceptional durability and reduced downtime in demanding commercial environments. Featuring a robust **620W high-efficiency motor**, a convenient cable rewind system and a comprehensive tool kit, the PPR170 is the ideal choice for contract cleaners, facilities management teams, schools, offices and hospitality venues.

Built to withstand intensive daily use, the powerful motor has been rigorously tested for over **1,600 hours of continuous operation**, ensuring dependable long-term performance. The innovative **12.5m cable rewind system** now incorporates Numatic's user-replaceable cable technology, allowing operators to quickly replace damaged cables without the need for costly repairs or service downtime.

Manufactured using Numatic's sustainable **ReFlo Technology**, the PPR170 contains a minimum of 25% high-quality recycled plastic while maintaining the durability and reliability expected from commercial cleaning equipment. Convenient onboard storage keeps essential dusting and upholstery tools close at hand, helping improve cleaning efficiency and productivity.

Product Features
