

Numatic RSB150 – 36V Battery 6L Backpack Vacuum Cleaner, Including 1 Battery & Charger

Variant code: 16-RSB150/1

Equipped with our new NX300 36V Battery Technology with a market-leading runtime, and 350W digital brushless motor, the RSB150 is engineered to deliver our most powerful cordless cleaning yet.

Delivering up to 80 minutes of cordless freedom, a 40% increase in airflow and suction, and maximum user comfort, the RSB150 provides optimum cleaning productivity with powerful and professional cleaning results.

With its ergonomical design, the backpack offers optimum user comfort with an easy to adjust, posture correcting harness and handy tool storage.

With no cable to worry about the risk of slips, trips, and falls to operator and public is minimal. Ideal for use during the day and public areas with high footfall such as retail stores and public transport.

Vacuum includes 2 batteries and charger.

Features:

- 80 minute runtime and an hour fast charge function
- NX300 High-power lithium battery pack
- Part of the interchangeable battery network
- Powerful cordless cleaning
- Breathable mesh panel and adjustable harness
- Easy battery change
- Integrated hand control
- Waist belt tool storage
