Numatic TTB1840 NX 36V Battery Scrubber Dryer - with 1 Battery & Scrubbing Brush

Variant code: 16-TTB1840NX/1

Numatic TTB1840NX Cordless Scrubber Dryer is a compact, professional floor cleaning machine designed to deliver powerful and consistent hard floor cleaning performance with the convenience of cordless operation. Powered by Numatic's advanced NX300 36V lithium-ion battery technology, the TTB1840NX combines excellent manoeuvrability, user-friendly operation and outstanding cleaning results, making it ideal for day cleaning and high-traffic public environments.

Simple to set up and easy to operate, the TTB1840NX is designed for use by any operator. The fully adjustable handle ensures a comfortable working position, whilst the folding design allows for convenient transport and compact storage. Brush and pad changes can be completed quickly and tool-free using a simple single-handed operation, helping to minimise downtime and maximise productivity during cleaning tasks.

Powered by the high-performance NX300 battery platform, the TTB1840NX delivers up to 60 minutes of runtime from a single charge and can be recharged in as little as one hour. Engineered and tested for commercial use, the NX300 battery provides up to 2,500 charge cycles and is supported by a 3-year battery warranty for complete peace of mind. As part of Numatic's interchangeable Pro Cordless Network, the battery can also be used across multiple compatible machines.

The innovative Centrifugal Water System ensures consistent water distribution across the brush or pad, improving cleaning performance while reducing water consumption. Combined with cordless operation that eliminates trailing cables and associated trip hazards, the TTB1840NX provides a safer, more efficient cleaning solution for retail environments, public transport facilities, healthcare settings, educational establishments and commercial buildings.

Product Features

Tel: 01626 355177
Email: info@aukhygiene.com

- **Professional cordless scrubber dryer**
- Powered by NX300 36V lithium-ion battery technology
- Includes 1 NX300 battery and scrubbing brush
- Up to 60 minutes runtime with 1 hour fast charge
- Fully adjustable operator handle
- Compact folding design for easy transport and storage
- Tool-free single-handed brush and pad changing
- Centrifugal Water System for consistent water distribution

Product Benefits

- Leaves hard floors clean, dry and safe for immediate use
- Eliminates cable-related trip hazards
- Provides consistent cleaning performance throughout operation
- Reduces water consumption whilst improving cleaning results
- Quick charging minimises machine downtime
- Simple operation reduces training requirements
- Compact design improves manoeuvrability in confined spaces

Technical Characteristics

- **NX300 36V lithium-ion battery platform**
- Up to 60 minutes runtime
- 1 hour fast charge capability
- Up to 2,500 battery charge cycles
- Part of the Numatic Pro Cordless Network
- Centrifugal Water System technology
- Adjustable folding handle design
- Supplied with battery and scrubbing brush

Applications

Numatic TTB1840NX Cordless Scrubber Dryer is ideal for retail stores, healthcare facilities, schools, universities, public transport environments, hospitality venues, offices, leisure centres, facilities management providers and contract cleaning companies requiring safe, efficient and professional hard floor cleaning without the restrictions of power cables.
