

Numatic TTB1840 NX 36V Battery Scrubber Drier, Including 2 Batteries & Scrubbing Brush

Variant code: 16-TTB1840NX/2

The TTB1840NX is simple to set-up and easy to use, by any operator. A fully adjustable handle provides the perfect working position whilst the folding design is perfect for ease of transit and storage. Pads and brushes can be quickly changed single-handedly with no tools and or fuss.

NX300 36V Battery Technology delivers 300Wh capacity with market leading runtime, and consistent, powerful cleaning, giving you more time to get the job done.

Made for the long haul, the NX300 Battery won't let you down, engineered and tested for commercial use delivering up to 2500 charge cycles. A 3-year battery warranty provides complete peace of mind for you and your Pro Cordless Network.

Delivering consistent water flow to the floor is the key to removing stubborn dirt and leaving a spotlessly clean floor. The TTB1840NX's Centrifugal Water System ensures even distribution across the brush or pad, delivering on cleaning performance whilst saving water.

With no cable, minimise the risk of slips, trips, and falls to operator and public. Ideal for day cleaning and public areas with high footfall such as retail stores and public transport.

Features:

- 60 Mins runtime + 1 hour fast charge
- NX300 High-power lithium battery pack
- Part of the interchangeable battery network
