# Numatic TTB3045NX - Lithium Battery Scrubber Dryer - 450mm

**Variant code: 16-TTB3045NX**

**Numatic TTB3045NX** is a compact and highly efficient **lithium battery scrubber dryer** designed to deliver professional floor cleaning performance in areas where manoeuvrability, productivity and reliability are essential. Featuring a **450mm scrubbing width** and one of the most compact footprints in its class, the TTB3045NX provides excellent accessibility while maintaining an impressive cleaning coverage of up to **1,215m² per hour**.

Powered by Numatic's advanced **NX300 Pro Cordless Cleaning Network**, the machine is supplied with two high-performance lithium-ion batteries and charger, providing dependable cordless operation with fast charging and exceptional battery longevity. Engineered specifically for commercial cleaning environments, each NX300 battery delivers up to **2,500 charge cycles** and incorporates an integrated battery health monitoring system to maximise performance and lifespan. The off-board charger enables rapid **1-hour fast charging**, helping minimise downtime and maximise operational flexibility.

The TTB3045NX also features Numatic's innovative **Centrifugal Water System**, which ensures consistent and even water distribution across the brush or pad for improved cleaning results while reducing water consumption. Combined with intuitive controls, compact dimensions and powerful scrubbing performance, the machine provides an effective solution for maintaining spotless hard floors across a wide range of commercial environments.

## Product Features

- **450mm scrubbing width** with compact machine design
- Powered by the **NX300 Pro Cordless Cleaning Network**
- Supplied with **2 lithium-ion batteries and charger**
- **1-hour fast charging** for minimal downtime

- Advanced Centrifugal Water System for even solution distribution
- Integrated battery health monitoring system
- Up to **2,500 charge cycles** with 3-year battery warranty

## Product Benefits

- Provides excellent accessibility in confined and busy environments
- Delivers powerful cordless cleaning without trailing cables
- Reduces downtime through rapid battery charging
- Supports lower operating costs with long-life battery technology
- Improves cleaning performance through consistent water distribution
- Enhances operator productivity and flexibility
- Provides complete peace of mind with extended battery warranty

## Technical Characteristics

- Professional **lithium battery scrubber dryer**
- **450mm cleaning width**
- Working area coverage up to **1,215m² per hour**
- **30 power-cell NX300 battery configuration** delivering 300Wh energy
- Off-board **1-hour fast charging system**
- Integrated battery monitoring and management technology
- Supplied complete with 2 batteries, charger and scrubbing brush

## Applications

**Numatic TTB3045NX** is ideal for schools, healthcare facilities, offices, retail stores, leisure centres, hospitality venues and public buildings where efficient cordless cleaning is required. Its compact design allows operators to clean around obstacles and in restricted spaces with ease, while the advanced lithium battery platform provides the flexibility and endurance needed for demanding daily cleaning schedules.
