Numatic 32mm Aluminium Tube - Straight

Variant code: 16-601024

Numatic 32mm Aluminium Tube - Straight is a genuine Numatic vacuum cleaner accessory designed to provide a lightweight, durable and reliable extension for compatible vacuum cleaning systems. Manufactured from high-quality aluminium, this straight tube offers excellent strength while maintaining easy handling, making it ideal for both commercial and domestic cleaning applications.

Designed for use with Numatic's popular 32mm accessory system, the straight tube creates a secure connection between vacuum hoses and floor tools, helping operators achieve comfortable reach and improved cleaning efficiency. The lightweight aluminium construction reduces user fatigue during prolonged cleaning tasks while offering excellent resistance to everyday wear and tear. Its simple straight design makes it suitable for replacing damaged tubes or expanding existing vacuum accessory setups.

Built to genuine Numatic specifications, this replacement tube ensures seamless compatibility and dependable performance. Easy to install and maintain, it provides a practical solution for keeping vacuum cleaners operating at peak efficiency across a wide range of cleaning environments.

Product Features

- **Genuine Numatic straight vacuum tube**
