

Numatic Twintec TT4045G 240V 450mm Mains Scrubber Dryer Complete with Brush

Variant code: 16-TT4045G

The Numatic Twintec shows off an impressive specification, featuring mains power, a 40L capacity, and a 450mm scrub width. This combination ensures top-tier performance and design.

The big advantage of cable machines is the amazing power provided by mains operation, three times that of battery machines.

The Numatic TwinTec TT4045 is at home in larger areas, extensively in many industrial applications where floors are rough and exceptionally dirty and can be used in conjunction with our cable roll, extending the cable length from 20m to 40m without any loss of performance.

- **Powerful Cleaning Results**
Powerful wet pick-up with heavy-duty Polyform tanks and TwinFlo vacuum motor.
- **User Comfort**
Simple operator controls with fully adjustable handle and FlexiFill system.
- **Built to Last**
Heavy-duty Structofoam chassis construction to endure years of industrial use.
- **Stay Cleaning for Longer**
Huge 40L capacity, 150rpm brush speed and 450mm brush width.

Property	Value
