

Numatic Twintec TT6650S 240V Mains Scrubber Drier Complete with Brush

Variant code: 16-TT6650S

A genuine workhorse with mains power, 60L capacity and 650mm scrub width, providing a cost-effective answer to big area low-cost floor maintenance.

The big advantage of cable machines is the amazing power provided by mains operation, three times that of battery machines.

Big capacity polyform tanks provide exceptionally cleaning with a single brush scrubbing head, complemented by an oversized, floating aluminium floor tool.

- Professional Results – Powerful wet pick-up with Polyform tanks and TwinFlo Vacuum Motor.
- User Comfort – Simple operator controls with fully adjustable handle and FlexiFill system.
- Built to Last – Heavy-duty Structofoam chassis construction to endure years of industrial use.
- Stay Cleaning for Longer – Huge 60L capacity, 150rpm brush speed and 650mm brush width.
