Numatic Type 32mm Hose - 2.5m

Variant code: 16-HSE79

Numatic 32mm Vacuum Hose is a **high-quality replacement vacuum hose** designed for use with compatible **32mm Numatic vacuum cleaners**. Measuring **2.5 metres** in length, this durable hose provides excellent flexibility and manoeuvrability, making it ideal for both commercial and domestic cleaning applications.

Manufactured from tough, hard-wearing materials, the hose is designed to withstand the rigours of daily use while maintaining consistent airflow and strong suction performance. Its highly flexible construction allows for easy movement around furniture, fixtures and confined spaces, reducing operator fatigue and improving cleaning efficiency.

Supplied **complete with machine and tool end cuffs**, the hose is ready for immediate installation, providing a secure connection between the vacuum cleaner and compatible 32mm tubes and floor tools. It is an ideal replacement for worn, damaged or ageing vacuum hoses, helping restore optimum cleaning performance.

Suitable for all compatible **32mm vacuum cleaners**, this replacement hose delivers reliable performance and long service life for a wide range of cleaning environments.

Product Features
