Numatic Type Paper Dust Bags - Pack of 10

Variant code: 16-YYY432

Numatic Type Paper Dust Bags are **high-quality replacement vacuum cleaner bags** designed to provide efficient dust collection and reliable cleaning performance. Manufactured from durable paper filtration material, these replacement bags effectively capture dust, dirt and everyday debris, helping to maintain suction efficiency and support hygienic waste disposal.

Designed for compatibility with selected Numatic vacuum cleaners, these dust bags offer a secure fit and dependable operation in both commercial and domestic cleaning environments. The strong paper construction helps retain collected debris whilst allowing sufficient airflow to maintain effective vacuum performance throughout use.

Regular replacement of dust bags is essential for maintaining optimum suction and protecting the vacuum's filtration system. Supplied as a convenient **pack of 10**, these replacement bags provide a practical and cost-effective solution for routine vacuum maintenance.
