

Numatic WV470 – Single Motor Wet & Dry Vacuum Cleaner 240V

Variant code: 16-WV470

The best-selling WV470 provides a larger alternative to the 370-380 series, with twice the capacity but to the same high performance standard be it wet or dry.

This model includes a folding handle allowing for ease of movement and compact storage.

Changing between wet or dry is simple, exchange a dry filter for wet safety float valve and swap floor nozzle

Features:

- A tool for every job – Professional AA12 accessory kit and tube set included.
- User-friendly features – Can be used anywhere and emptied quickly and easily.
- Compact and convenient – Always on hand when needed and easy to store.
- Wet or dry vacuuming – Professional results every time.
- East of transit – Ergonomic easy-carry handle and large rear wheels for stability
- Stay cleaning for longer – Large 20L wet and 27L dry capacity
