Numatic WVD1800DH - Single Motor Industrial Wet Vacuum Cleaner - 110V

Variant code: 16-WV1800DH/110V

Numatic WVD1800DH Industrial Wet Vacuum Cleaner is a heavy-duty professional wet pick-up vacuum cleaner designed for powerful liquid recovery and demanding industrial cleaning environments. Built for commercial durability and high-capacity wet cleaning applications, the WVD1800DH combines robust construction, reliable suction performance and practical mobility for efficient professional wet vacuum operation.

Engineered for industrial cleaning tasks including flood recovery, workshop maintenance and large-scale liquid collection, the WVD1800DH features a powerful single motor wet recovery system capable of handling demanding commercial environments. Its heavy-duty Structofoam construction provides exceptional durability while resisting dents, scratches and corrosion, ensuring long-term reliability in warehouses, factories, workshops and construction environments.

The large-capacity industrial drum reduces interruptions caused by frequent emptying, helping maximise productivity during extended wet cleaning tasks. Designed for professional usability, the WVD1800DH incorporates durable transit wheels and ergonomic handling for easier manoeuvrability around industrial sites. Supplied with professional wet vacuum accessories, this machine provides dependable wet recovery performance for contractors, facilities management teams and industrial cleaning operations.

Product Features

- **Professional industrial wet vacuum cleaner**
- Powerful single motor wet pick-up system
- Heavy-duty Structofoam industrial construction
- Large-capacity wet recovery drum
- Professional liquid recovery performance
- Durable transit wheels for easy manoeuvrability

- Supplied with professional wet cleaning accessories
- **110V industrial power supply**

Product Benefits

- Provides efficient high-capacity liquid recovery
- Heavy-duty construction withstands industrial environments
- Large drum capacity reduces downtime during operation
- Reliable suction performance improves cleaning productivity
- Easy manoeuvrability supports demanding site cleaning
- Suitable for continuous commercial wet cleaning tasks
- Professional accessories improve cleaning versatility

Technical Characteristics

- **Single motor industrial wet vacuum system**
- Heavy-duty Structofoam drum construction
- Professional wet pick-up cleaning operation
- Commercial and industrial cleaning suitable
- Large-capacity liquid recovery system
- Professional accessory and tube compatibility
- Durable transport wheels and ergonomic handling
- **Voltage: 110V**

Applications

Numatic WVD1800DH Industrial Wet Vacuum Cleaner is ideal for construction sites, warehouses, factories, workshops, flood recovery operations, maintenance teams, janitorial services, industrial facilities and contract cleaning companies requiring reliable professional wet vacuum cleaning and liquid recovery performance.

Property	Value
Length (mm)	785
Vacuum Motor Wattage (W)	1000
