Octopus Cleaning Tool Complete Edging Tool

Variant code: 14-101105

The **Octopus Cleaning Tool** is a flexible professional **edging and scrubbing tool** designed for effective cleaning of **floors and skirting**. Its practical design makes it particularly useful for detailed floorcare tasks where access along edges and into corners is required.

Manufactured from **tough plastic**, the cleaning tool features a **swivel head** that helps it reach into corners and other awkward areas. It is designed for use with compatible **Octopus Scrub Pads**, allowing the appropriate pad to be selected according to the cleaning task.

Measuring **23 x 4 x 10cm** and weighing **183g**, the tool fits most compatible handle options and can also be used with the **Maxi Erase-all Floor Pad**. When paired with the Maxi Erase-all pad, stubborn dirt can be tackled **without the need for chemicals**.

Product Features

- **Flexible edging and scrubbing tool** for professional floorcare
- Ideal for cleaning **floors and skirting**
- Manufactured from **tough plastic**
- Features a **swivel head** for improved access into corners
- Designed for use with compatible **Octopus Scrub Pads**
