

Orbital 13" Polishing/Scrubbing Machine with Pad Holder

Variant code: 16-700

13" Mains polisher with oscillating head that's extremely easy to use. The oscillating motion doesn't have the same side to side motion as a standard rotary machine, so it's extremely easy to use and control.

Compact and lightweight, the machine comes with a solution tank and floor pad drive board, polishing pad and microfibre pad.

Ideal for front of house areas. Takes 13" floor pads.

Property	Value
Length (mm)	320
Cable Length (m)	15
Weight (kg)	13
