Z-Fold Hand Towels - 2 Ply - White - Case of 3000

Variant code: 01-350

Z-Fold Hand Towels are high-quality **2 ply folded hand towels** designed to provide hygienic, efficient and cost-effective hand drying in busy commercial washroom environments. Manufactured for professional use, these towels combine excellent absorbency, durable construction and controlled dispensing to support reliable hygiene standards across a wide range of facilities.

The **Z-fold interleaved design** enables hygienic single-sheet dispensing, helping reduce cross-contamination, minimise waste and improve washroom efficiency. Manufactured from durable **2 ply white paper**, the towels provide excellent absorbency and tear resistance for dependable everyday hand drying performance. The distinctive **diamond embossed texture** enhances absorbency while adding a professional-quality finish suitable for commercial washrooms.

Certified with an **Eco Label accreditation**, these folded hand towels support environmentally responsible washroom management while maintaining reliable everyday performance. Supplied in a practical **case of 3000 towels**, they offer an economical and efficient solution for high-traffic environments requiring dependable hygiene consumables.
