

## Folded Hand Towels – Z-Fold – 2 Ply – White – Case of 3000

**Variant code: 01-350**

Ensure hygienic and cost-effective hand drying for your business with our premium **Z-Fold Hand Towels**. Each case contains **3000 individual white paper towels**, expertly folded into a **3-panel Z-shape** for controlled, single-sheet dispensing. This **interleaved design** minimises waste and promotes a more sanitary environment for your staff and customers.

Crafted from quality **2-ply white paper**, these hand towels offer excellent **absorbency** and **tear resistance**, providing a reliable drying experience. The **diamond embossed** texture enhances absorbency and adds a touch of quality.

These **economic hand towels** are ideal for high-traffic washrooms in offices, restaurants, healthcare facilities, schools, and other commercial settings. Being **Eco Label certified**, you can be confident in choosing a more sustainable hygiene solution for your business.

### Key Features:

- **Type:** Z-Fold (Zigzag Fold)
- **Ply:** 2-Ply
- **Colour:** White
- **Quantity:** Case of 3000
- **Dispensing:** Interleaved for controlled, single-sheet dispensing
- **Quality:** Highly absorbent and tear-resistant paper
- **Texture:** Diamond embossed for enhanced absorbency
- **Sustainability:** Eco Label certified
- **Ideal For:** Commercial washrooms, offices, restaurants, healthcare, education, and more.

### Benefits for Your Business:

- **Cost-Effective:** Controlled dispensing reduces waste and lowers overall consumables
- **Hygienic:** Single-sheet dispensing minimises the risk of cross-contamination.
- **Efficient:** Highly absorbent 2-ply paper ensures effective hand drying.

- **Durable:** Tear-resistant for reliable use.
- **Sustainable Choice:** Eco Label certification demonstrates your commitment to environmental responsibility.
