4.5L Food Waste Caddy Bin Grey

Variant code: 14-45518

This stylish grey caddy is perfect for collecting food waste. Made from 100% recycled household plastics, the compact design of this eco-friendly caddy means it fits discreetly on your kitchen worktop or floor near your main recycling bin. The flip-up lid offers easy access, and the convenient carry handle makes emptying simple. Ideal for all compostable kitchen scraps. The smooth interior of the kitchen caddy makes cleaning quick and easy.

Features and Benefits:

- **Eco-friendly:** Made from 100% recycled household plastics.
- **Flip-up lid:** Stays open while you add food waste.
- **Ideal capacity:** Perfect size for compostable kitchen waste.
- **Compact:** Fits easily in small spaces.

Specifications:

- Dimensions: H19 x W24.5 x D18.5cm
