Blue Roll - Coreless Centrefeed - 2 Ply - 120m - Case of 6

Variant code: 01-120C

Blue Roll Coreless Centrefeed is a durable and versatile **2 ply wiping paper solution** designed for demanding commercial and industrial environments. Engineered for reliable everyday performance, this premium centrefeed roll provides an efficient and hygienic wiping solution for workplaces requiring high-capacity cleaning and drying materials.

Each roll offers an extended **120 metre length**, helping reduce refill frequency and support efficient operations in busy environments. The **coreless centrefeed design** minimises waste while ensuring compatibility with standard centrefeed dispensing systems. Manufactured for strength and absorbency, the 2 ply construction is suitable for a wide range of wiping and cleaning applications across catering, healthcare, workshops and industrial facilities.

Product Features

- **2 ply coreless centrefeed blue roll**
- **120 metre roll length** for reduced maintenance
- **Coreless design** helps minimise waste
- Suitable for use with **standard centrefeed dispensers**
