

SC Johnson Deb Estesol FX – Light Duty Hand Cleaner – 2L

Variant code: 10-EFM2LT

SC Johnson Deb Estesol FX is a **light duty hand cleaner** specifically formulated to remove general workplace dirt and grime while being gentle on the skin. Designed for frequent use in industrial, commercial and office environments, this high-quality hand cleanser provides effective cleaning performance combined with excellent skin care properties, making it ideal for workplaces where regular hand washing is required.

The advanced formulation contains a balanced blend of cleansing agents that effectively remove light industrial soils without unnecessarily drying the skin. Its mild action helps maintain skin comfort throughout the working day, making it suitable for employees who need to wash their hands regularly as part of workplace hygiene procedures.

Estesol FX features a pleasant, fresh fragrance and produces a rich lather that spreads easily across the hands for efficient cleansing. The formula rinses away quickly and completely, leaving hands feeling clean, fresh and comfortable after use. Its skin-friendly composition supports regular use while helping maintain the skin's natural condition.

Supplied in a **2L cartridge**, SC Johnson Deb Estesol FX is designed for use with compatible SC Johnson Professional dispenser systems, providing hygienic, controlled dispensing and efficient product usage in busy workplace environments.

Product Features
