DRYFT Cleaning Pad - Single Replacement Pad for DRYFT S-Scrubber

Variant code: 16-040-0004

DRYFT Cleaning Pad is a **genuine replacement cleaning pad** designed specifically for use with the **DRYFT S-Scrubber cleaning system**. Engineered to deliver effective dirt removal and consistent cleaning performance, this high-quality pad helps maintain the efficiency and effectiveness of your DRYFT machine across a wide range of hard floor cleaning applications.

Designed to work seamlessly with the innovative DRYFT S-Scrubber, the cleaning pad provides excellent surface contact, allowing dirt, grime and everyday floor contamination to be removed efficiently. Its durable construction ensures reliable performance throughout regular cleaning operations while helping to protect floor surfaces and maintain professional cleaning standards.

The pad is easy to fit and replace, enabling operators to quickly refresh their machine's cleaning performance and minimise downtime. Whether used as a replacement for a worn pad or kept as part of a maintenance stock, it helps ensure optimum cleaning results every time.

As a genuine DRYFT accessory, the Cleaning Pad is designed to provide perfect compatibility with the S-Scrubber system, supporting consistent cleaning performance in demanding commercial environments.
