Dryft Melamine DeepClean Pads - Pack of 10

Variant code: 16-040004710

Dryft Melamine DeepClean Floor Cleaning Pads - Pack of 10 are **specialist deep-cleaning floor pads** designed to remove stubborn scuff marks, shoe marks and ingrained dirt from smooth, washable hard floors. Developed for use with the **Dryft floor cleaning machine**, these melamine pads provide effective cleaning using water alone.

The **melamine cleaning material** helps lift embedded dirt and surface marks without requiring additional cleaning chemicals. Ideal for **sheet vinyl, smooth stone, sealed concrete, terrazzo and porcelain tiles**, the pads help restore floor appearance in demanding commercial environments.

Featuring a **quick-change, tool-free design**, the pads can be replaced in seconds, reducing downtime during cleaning operations. Supplied in a convenient **pack of 10**, they provide a practical solution for regular deep cleaning and professional floor maintenance.

Product Features

- **Melamine cleaning material** for intensive floor cleaning.
- **Water-only cleaning** without additional chemicals.
- **Removes stubborn scuffs** and shoe marks.
- **Lifts ingrained dirt** from suitable surfaces.
- **Designed for Dryft machines** for effective cleaning.
- **Quick-change design** for easy replacement.
- **Tool-free installation** minimises downtime.
