Ecolab Seraman® Soft Liquid Hand Soap Cartridges - Case of 6x750ml

Variant code: 10-3083200

Ecolab Seraman® Soft Liquid Hand Soap is a professional hand cleansing solution designed to provide **gentle and effective everyday hand washing** in healthcare and hygiene-sensitive environments. Developed for frequent use, it delivers reliable cleansing performance while helping maintain skin comfort and hydration.

This mild liquid soap formulation effectively removes dirt and everyday contamination while remaining gentle on the skin. Its skin-friendly composition makes it suitable for environments where repeated hand washing is required, helping support healthy skin during frequent daily use.

Designed for compatibility with appropriate dispensing systems, the hygienically sealed cartridge format helps reduce contamination risks while supporting efficient and controlled dispensing. The refill system also simplifies maintenance in high-use professional washroom and hygiene facilities.

Supplied as a **case of 6 x 750ml cartridges**, the product is suitable for healthcare facilities, workplaces and commercial washrooms requiring dependable and professional hand hygiene solutions.
