

Evans Toilet Cleaner and Descaler – Case of 6x1L

Variant code: 05-120

The **Evans Toilet Cleaner & Descaler** is a high-performance **acidic toilet and washroom cleaner** designed to remove limescale, body fat and general soiling. Formulated with a powerful **organic acid**, it provides effective cleaning for toilets, urinals and washroom surfaces, helping maintain clean and fresh facilities.

Its specially formulated cleaning solution **clings to vertical surfaces**, allowing longer contact time for improved cleaning performance. Suitable for use on **porcelain, stainless steel, chrome, ceramic and quarry tiles**, the cleaner effectively tackles everyday washroom deposits while leaving behind a **fresh pine fragrance**.

The **phosphate-free formulation** provides an environmentally considerate approach to regular washroom maintenance. Frequent use helps **prevent limescale build-up** and keeps drains and outlet pipes free from unpleasant odours. Supplied in a convenient **case of 6 x 1L bottles**, it is suitable for professional and commercial washroom cleaning.

Product Features

- **High-performance organic acid cleaner** for toilets, urinals and washrooms
- Effectively removes **limescale, body fat and general soiling**
- **Clings to vertical surfaces** for longer contact time and improved cleaning
- Suitable for **porcelain, stainless steel, chrome, ceramic and quarry tiles**
- Regular use helps **prevent the build-up of limescale**
- Helps keep **drains and outlet pipes free from unpleasant odours**
- **Phosphate-free formulation**
- Leaves a **fresh pine fragrance** after cleaning
- Suitable for **undiluted application** according to manufacturer instructions
- Supplied in a **case of 6 x 1L bottles**

Product Benefits

- **Powerful organic acid formulation**

- effectively removes stubborn limescale, body fat and general washroom soiling**
- **Clinging cleaning action provides extended contact time on vertical surfaces for improved cleaning results**
 - **Regular use helps prevent scale accumulation and unpleasant odours in drains and outlet pipes**
 - **Multi-surface compatibility** allows use across a range of suitable washroom fixtures and surfaces
 - **Phosphate-free formulation** reduces the use of phosphates in routine cleaning
 - **Fresh pine fragrance** helps leave washroom areas smelling clean
 - **Ready-to-use application** eliminates the need for dilution during normal use
 - **Case of 6 x 1L bottles** provides a practical supply for professional cleaning operations
